

# Centrlian Girls Academy – Centralian Middle School –

## New Girls Academy Room

The Girls Academy at Centralian Middle School has had a great start to the year, with girls settling into school and the program really well. Our new room has proven to be a hit with all our girls, they love the new space. The room is set up so they have a learning area, food area (Nestlé Café), games area, and the quiet area (TV & Movie area).

We are still doing some more decorating etc, but once complete its going to be fabulous. The girls utilise the different parts of the room well, and there's enough space in the room for everyone to have their 'own space'.

## Lunch Time Activities

During Week 3 we had lunch time activities for our girls which consisted of Basketball games against Clontarf. It was a great start to the term, to get all our girls engaged and having fun. We had a high level of participation from our girls, proving to be a hit; they can't wait for the next Basketball Challenge and Table Tennis Challenge.

## After School extra-curricular Activities

The Girls Academy has commenced extra-curricular activities after school, with our first activity being Bowling. Our girls had a great time and always look forward to these activities. The winner for Highest Score was Showanna Scrutton – Year 7 with an outstanding score of 118! She won a Cinema Pass for her great effort.
