Afternoon Activities

Afternoon activities have kicked off for CGA and students have been very enthusiastic in attending and have been enjoying themselves. They have been hanging out with a movie arvo, busy in the kitchen cooking chocolate Tim Tam balls, fun and games in the hall and GA room and cooling off at the town pool.

All GA students are encouraged to come along for some fun in next week's afternoon activities; Tuesday – pampering session and Thursday – Bowling.

Please come up to see the GA staff about putting your name down to join.
