## YOUTH GIRLS FOOTBALL

Girls Academy is again participating in the Youth Girls Competition. Participating this year is Hermannsburg, St Philips College, OLSH and Girls Academy. This week Girls Academy versed St Philips College in their first game. The girls showed great enthusiasm and skills on the day but unfortunately the win did not go our way. Special mentions go out to the youngest and best Team Manager Brooke Campbell. Shania Presley-Cole for her incredible mark, Margritta for her spectacular kicks, Kiara with the fiercest of tackles and both Jasmine Drover and Kaleigh Campbell for the commitment to the ball. Next week Girls Academy take on Hermannsburg at Jim McConville, Wednesday 3.30pm. Feel free to come down and show the girls your support.

## AFTERNOON ACTIVITIES

Afternoon Activities have so far been a blast and it's great to see so many girls participating. Last week the girls got to kick back and relax with a movie. On the side was Cold Rock 'Girls Academy style' treat. This week the girls got to test their science abilities making slime and sherbet. All of the girls participated so well and made the sherbet as sour as possible and the slime as colourful as they could. Next week the girls will be like Tiger Woods, hitting up the Alice Springs Golf Club in style, with a special prize on offer.

## SHINING BRIGHT

This term the CGA girls are again focusing on their attendance, participation and engagement on the Progress Board to achieve the Shining Bright category. Students must maintain green on all three categories. To gain green across all three categories 'attendance' must be at 85% or above, afternoon, lunchtime activities as well as general attendance in contact times will go towards students 'participation'. 'Engagement' data will be gathered from teachers every fortnight to ensure CGA students are engaging well within the classroom. There will be a mid-term Shining Bright Award luncheon on the 25<sup>th</sup> of May to celebrate the girls achieving and striving for the best results in their education.

## POOL TABLE COMPETITION

This week CGA has run a pool table competition to finally settle who is the Queen of the table. Fourteen girls lined up to take part and a few sharks were knocked out in the beginning stages. Telisha Armstrong came out strong but sunk the 8 ball and sealed her fate. Jaylene Watts has proved to be a strong competitor progressing to the semi-finals as well as Lashonda Stewart. The next semi-final will be played on Friday the 12<sup>th</sup> to see who will progress to the grand final.
